Dear Emily,

Thank you for your letter. It was great to hear from you again after such a long time. I really should have written sooner. I had been busy with my exams.

I am very happy for you. I think it is really fine news. I hope you like new house, school, place and friends.

I am fine. Yes, I have got many friends at school and I really like them. Yep, I am studying there. My favorite subjects are Literature and English. I really don't know maybe because there are very interesting.

What about your notes at school? Do you have many homework? How do you spend your free time?

Hope you hear from you soon.

Best wishes,
